

# The 2024 Newest Mounted Troop General Combinations (PDF)

With the game update, many new Mounted Troop Generals have been added to *Evony*. These generals not only have improved Special Skills and Specialties, but some also provide additional buffs from skins and covenants. The various buffs of the Main Generals and Assistant Generals follow different rules. Consequently, different general combinations will produce different effects. Assuming all attributes of these generals are at maximum level, we recommend the following Mounted Troop General Combinations.

## The First Tier Mounted Troop General Combinations:

Main General	Assistant General	Assistant General Special Skill	Mounted Troop Attack Skill Book	Other Important Buffs
Napoleon Prime	Hestia	Mounted Troop Attack and Defense +45%; Ground Troop and Mounted Troop HP +40% (with any Dragon or Spiritual Beast)	√	March Size Capacity +8%+5%
	Washington Prime	Mounted Troop Attack and HP +40%; March Size +15%	√	March Size Capacity +8%+5%+15%+6%+5%
	Poligenus	Ground Troop and Mounted Troop Attack +40%; Mounted Troop Defense and HP +25%	√	March Size Capacity +8%+5%
	Zhao Yun	Ground Troop and Mounted Troop Attack +30% Mounted Troop HP +30%	√	March Size Capacity +8%+5%+6%
	André Masséna	March Size +12%; Mounted Troop Attack +45%	×	March Size Capacity +8%+5%+12%+6%

Hestia	Napoleon Prime	Mounted Troop Attack +50%; Mounted Troop Defense and HP +30%	√	March Size Capacity +10%+5%
	Washington Prime	-	√	March Size Capacity +10%+15%+6%+5%
	Poligenus	-	√	March Size Capacity +10%
	André Masséna	-	×	March Size Capacity +10%+12%+6%

	Martinus	Mounted Troop Attack +25%; Mounted Troop Attack +15% with any Dragon; March Speed +10%	×	March Size Capacity +15%+5%+6%+5%

## Notes:

As the assistant general, Hestia needs to take a dragon or spiritual beast, and Martinus needs to take a dragon to make their initial special skill effect.

Besides, when Washington Prime is the main general, the 'March Size' Skill Book can only be used on him. It will not work on assistant generals.

In addition, some generals also have skins and covenants, which can bring extra buffs.
